IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Patentee: Paul McCormac

Patent No.: 7,635,772 B2

Issued: Dec. 22, 2009

Title: Process for the Preparation of Oligonucleotides

REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
Office of Patent Publication
Attn.: Certificate of Correction Branch
P O Box 1450
Alexandria, VA 22313-1450

Certificate
APR 05 2010
of Correction

Sir:

Pursuant to 35 U.S.C. § 254, we hereby request a Certificate of Correction be issued for the above-referenced U. S. Letters Patent to correct errors as shown below:

In the claims, column 14, claim 1, line 62, "SR¹³" should read --SR³--, "R¹¹" should read --R¹--, and "R²" should read --R²--.

In the claims, column 14, claim 1, line 65, "R¹³" should read --R³--.

In the claims, column 16, claim 10, line 18, "SR13" should read --SR³--.

In the claims, column 16, claim 10, line 19, "R11 and R12" should read --R¹ and R²--.

In the claims, column 16 claim 10, line 22, "R13" should read --R³--.

It appears that the error was made by mistake of the Applicant. In his Amendment to the claims filed on May 6, 2008 with his response to the Examiner's rejection, Applicant's attorney inadvertently mislabeled the substituents R¹, R² and R³ as R¹¹, R¹² and R¹³.

Support for the correct definitions of the substituents may be found at Column 1, line 63 through Column 2, line 17 of the Patent.

Since the errors, while Applicant's, are typographical in nature, were made in good faith, do not introduce new matter or require reexamination, correction is respectfully requested. A Certificate of Correction is enclosed herewith and the Commissioner is

authorized in the accompanying Transmittal Letter to charge the appropriate fee under 37 CFR 1.20(a) of \$100 against Deposit Account 50-5119.

Respectfully submitted,

Dated: March 29, 2010
